Re: Consent to Assign Interest in Grant of Easement (dtd 5/19/83)
Portion of Lots 73, 74 and 99 of Tract No. 30417
City of Whittier, Los Angeles County, California (APN 8291-043-900)

To Whom It May Concern:

California Resources Production Corporation formerly Vintage Production California LLC ("CRPC") is the Grantee of record under that certain Grant of Easement dated May 19, 1983, a recorded agreement, by and between D & D Development, Inc. as Grantor, (to which you are successor-in-interest) and Union Oil Company of California, as Grantee, as more particularly described therein.

The Easement provides in pertinent part, *"Upon obtaining the written consent of Grantor, which consent shall not be unreasonable withheld, Grantee may assign the herein granted right to lay, maintain, operate, repair, alter, change of the size of and remove power lines and appurtenances thereof."*

CRPC has recently entered into a Purchase and Sale Agreement with Matrix Investments, LP ("Matrix"), for the sale of all of CRPC's assets in the Sansinena field area, inclusive of this Easement. Upon closing of the transaction, Matrix will own 100% working interest in the Sansinena assets.

Thank you in advance for your cooperation with this request. Please indicate your consent to the Easement's assignment described above by signing in the space provided herein below and returning a signed copy of this letter to my attention in the enclosed prepaid envelope by February 22, 2016. Should you have any questions regarding this request, please contact Kelly Mallory at 661-412-5022.

Very truly yours,
